Therapeutic Treatments

For centuries therapeutic massage treatments have been embraced for their therapeutic effects. De-stress your mind and revitalise your skin.

Deep Cleansing Back Treatment

This relaxing treatment begins with a deep cleanse with steam to remove excess oils and debris, followed by an exfoliation to polish away dullness, to include relaxing back massage using appropriate blended oils and a customised masque will leave you relaxed and your skin radiant.

55 min £ 35.00

Therapeutic Massage

Involves a variety of massage techniques for stress reduction, relaxation and deep tissue manipulation to aid the removal of toxins. This treatment will also stimulate the circulation, improve skin and muscle tone.

Men's Sport Facial

A comprehensive skin consultation will lead to a customised deep cleansing with exfoliating scrub. A pressure point massage with essential oils balances the skin, to include customised serum, masque and conditioning.
