Skin Care Treatments

Dermalogica treatments are tailored to meet your individual needs, targeting specific concerns from acne, dehydration and environmentally sensitised skin to sun damage and prematurely aged skin. Helping to restore optimum skin health. Our detailed skin consultation precedes each treatment to ensure maximum benefits for your skin.

Lemon Tree Classic - Skin Care Treatment

This relaxing and highly effective treatment forms the basis for all other Dermalogica facials - begins with deep cleansing and exfoliation with steam followed by neck, shoulder and pressure point massage, to simulate blood circulation and revitalise the tissues, then a treatment masque to restore balance, hydrate and help protect your skin.
